A colorful mathematical equation $1 + 9 = 10$ is displayed on a white background. The number 1 is green, the plus sign is grey, the number 9 is green, the equals sign is grey, the number 1 is red, and the number 0 is red. A small white dog is perched on the plus sign, a small brown fox is perched on the equals sign, and a brown bear's head is visible inside the zero.

$$2 + 8 = 10$$
A mathematical equation 2 + 8 = 10 is displayed on a white background. The number 2 is green, the plus sign is grey, the number 8 is green, the equals sign is grey, the number 1 is red, and the number 0 is red. A small dog is on top of the plus sign, a fox is on top of the equals sign, and a bear is inside the zero.

$$3 + 7 = 10$$

$$4 + 6 = 10$$

5 + 5 = 10

6 + 4 = 10

The equation is presented in a playful, child-friendly style. The number 6 is green, the plus sign is grey, the number 4 is green, the equals sign is grey, the number 1 is red, and the number 0 is red. A small white dog is perched on the plus sign, a small brown fox is perched on the equals sign, and a brown bear's face is visible inside the zero.

7 + 3 = 10

The equation is presented in a playful, child-friendly style. The number 7 is green, the plus sign is grey, the number 3 is green, the equals sign is grey, the number 1 is red, and the number 0 is red. A small white dog with black spots is perched on the top bar of the plus sign. A small brown and white fox is perched on the top bar of the equals sign. A brown bear's head is visible inside the zero.

$$8 + 2 = 10$$

A colorful mathematical equation $9 + 1 = 10$ is displayed on a white background. The number 9 is green, the plus sign is grey, the number 1 is green, the equals sign is grey, the number 1 is red, and the number 0 is red. A small cartoon dog is perched on the top bar of the plus sign, a cartoon fox is perched on the top bar of the equals sign, and a cartoon bear is peeking out from inside the zero.
